PATIENT INSTRUCTIONS PRIOR TO APPOINTMENT IN THE CALLAHAN EYE FOUNDATION HOSPITAL LASER CENTER

For your appointment please bring the following: picture ID, insurance cards, copay, and list of your current medications.

Please be advised that your laser procedure or injection is considered an outpatient surgery procedure. Your copay for outpatient surgery will be due at the time of service. You can contact your insurance company to find out the amount of your copay.

Please do not wear perfume, cologne, scented lotions and after-shave. Some lasers are very sensitive and can be affected by strong odors.

Please do not wear eye makeup on the day of your laser.

Unless instructed differently, you may eat, drink and take medication as usual prior to your procedure in the Laser Center.

For your appointment, please come to the Laser Center on the 3rd floor of UAB Callahan Eye Hospital. If you have questions concerning your appointment contact your physician's office at **(205) 933-2625** or the Laser Center at **(205) 325-8222**.
